

Discover South Carolina's Premier Coastal Resort Community.

Experience coastal resort living the way you've always envisioned it – exclusive world-class amenities and gracious coastal homes in a beautiful setting. Enjoy easy access to the water and a location that offers a variety of entertainment and activities. Grande Dunes is truly a legendary community with a lifestyle unmatched within Myrtle Beach.

The world-class amenity package is anchored by the beautiful Ocean Club along the Atlantic Ocean where residents enjoy private beach access, swimming and classic coastal dining. The prestigious Members Club is the area's finest private golf club surrounded by our private championship course. Other recreation includes, marina, tennis, Barc Parc, miles of sidewalk and more.

Social. Exciting. The Heart of the Community.

Membership at Grande Dunes Members Club is your key to the good life. Enjoy decadent dining, exciting activities and engaging social events all year long, with a staff that is dedicated to five-star service.

Contact our membership team and come meet your new friends at the Members Club.

Breathtaking Homes for Every Lifestyle.

Your ideal coastal lifestyle begins with the perfect home. Explore a wide variety of options crafted with the exquisite attention to detail you'd expect. Whether you are looking for a coastal cottage or a beautiful custom estate, the team at Grande Dunes Properties should be your first stop.

A SIGNATURE COMMUNITY BY  LSTAR VENTURES

GRANDE DUNES MARINA

Gateway to Life on the Water

*Centrally located at mile marker 357
on the Intracoastal Waterway,
the Grande Dunes Marina
is one of the finest, full-service marinas
on the East Coast.*

GATEWAY to LIFE on the WATER

Grande Dunes Marina is the perfect place to begin your adventure on the Intracoastal Waterway. With 126 wet slips and 1,200 linear feet of lay-along floating docks, the marina offers a protected harbor for vessels up to 120 feet or more. Our full-service marina is open to the public and features state-of-the-art floating docks, diesel and non-ethanol gas, maintenance and marina store with showers and everything you need from tackle to t-shirts. The marina is also the trailhead for future scenic walkways along the Intracoastal Waterway.
